## BASKETBALL LEAGUE WILL BE LAUNCHED NEXT WEEK

Fourth Season of Basketball Competition Is Sponsored by Federal Recreation Project — Nine Teams Will Compete in Games at Senior and Junior High Schools — Games Four Nights Per Week

The Federal Recreation Project, supervised by Leonard Collins, released this week, the schedule for the first two weeks of Town-wide basketball league.

Nine teams from Arlington are entering this league. This is the fourth season the league has been in operation.

Games will be played Monday, Tuesday, Wednesday and Thursday evening at the Junior High School, Junior High West and Arlington high school. The games at the Junior High East and West will start at 7.45 p. m. and all the players should be on the floor not later than 7.30. On Thursday evening at Arlington High School gymnasium, there will be double headers, the first game to start at 7.15 and all players are asked to be dressed for play at 7 p. m.

Admission to all these games is free and the public is cordially invited to attend.

Next week's games follow:  
MONDAY, JANUARY 22  
Rangers vs. Boys' Club Dreams — East.

Eagles vs. Mohawks — West.  
TUESDAY, JANUARY 23  
Olympics vs. Eagles — East.  
Forest A. C. vs. Purple Invaders — West.

WEDNESDAY, JANUARY 24  
Rangers vs. Jefferson Club — East.  
B. C. Club vs. Mohawks — West.

THURSDAY, JANUARY 25  
Purple Invaders vs. Jefferson High School — 1st game.  
Olympics vs. Forest A. C. — 2nd game.

The Veterans of Foreign Wars auxiliary to post 1775 will sponsor a penny sale at its headquarters, 352 Massachusetts avenue, this evening. The public is invited.

## A. H. S. Is Facing Stiff Schedule

Arlington High school's football schedule for next fall will be decidedly stiffer than in previous years, it was learned this week.

Although Arlington's schedule of games has not been completed as yet, according to Head Coach Fred Ostergren, opponents of the Red and Gray next fall will include Salem, Lowell, Leominster, Fitchburg, Malden, Chelsea, Medford and Melrose, as well as another game.

Newton, Winchester and Waltham will not play Arlington this year. Winchester has lost to the Red and Gray for ten consecutive years and feels that the locals are too strong. Newton likewise has dropped Arlington for Woburn. An open date was not available for the Waltham game with Arlington, and consequently this team was the third to be dropped from the local schedule.

## Chief Bullock Will Address Pension Group Next Thursday Night

"Would steady employment of our YOUTH reduce the CRIME SITUATION?" will be the topic for discussion by Chief of Police Archie Bullock at the regular meeting of National Pension Group No. 1 next Thursday evening, January 25, at 8 p. m. in American Legion Hall.

There will be a musical program with Mrs. Jean Low, soloist accompanied by Mrs. Norine Libby at the piano. A door prize will be given and refreshments will be served during a social period.

The following officers were appointed to serve on the 5th Congressional District Board of National Old Age Pensions, Inc., at their regular meeting in Lowell last Sunday: Emile Marquis, chairman; John J. Callery, vice chairman; Herbert W. Helstrom, secretary and treasurer. Several mass meetings were planned, to be held throughout the District.

## Annual Meeting of Boys' Club Is Held

The annual meeting and election of officers of the Arlington Boys' Club, Incorporated, was scheduled for the hearing room of the Robbins town hall last evening. The state of officers for 1940 was presented by the nominating committee, Martin R. Durkin, Thurston Trueworthy and Dr. P. A. Campobasso. Chief Archie F. Bullock, president; Director Deane W. Moors, and other officers gave reports of progress made during the past year.

About thirty street lights in East Arlington, between Lake St. and Alewife brook parkway, were broken by boys. It was reported to the local police Tuesday evening.

## OFFICERS OF CITIZENS' COMMITTEE ARE NAMED

In accordance with its custom, the Citizens' Committee announced the names of the prominent civic minded people, who give so freely of their time and effort, as officers and directors of the committee. It is the true American spirit that these people exemplify and their only satisfaction is the continuance of the high type of Town official that is endorsed by the Committee, the group points out.

The officers are:  
Milton Estabrook, chairman; Fred Douglas, Charles A. Alden and Russell Dewar, vice chairmen; Mrs. Minerva Farrow, corresponding secretary; Jeff Sawyer, secretary; Thurston Trueworthy, treasurer; Paul A. Anderson, assistant treasurer.

Directors: Sarop Basmajian, Edward Kelley, George Leary, Rodney Leighton, Ralph Stevens, Timothy Creedon, Joseph Denesleski, Foster Brown, Ralph Coates, Alvin Woodward, Walter Swenson, William Billings, Kingsbury Ryan, Levi Howe, Jacob Blitzer, Harold Estabrook, Harold Cahalin, Nils Anderson and William Dole.

## Community Chest Hears Arguments In Favor Of Joining Federation

Officers and directors of the Arlington Community Chest, Inc., and heads of agencies represented in the Chest, met in Robbins Library, Friday evening to discuss the advisability of joining the Community Federation of Greater Boston. (Arlington has its own Community Chest, operating locally, and supporting seven local agencies. The Greater Boston Federation includes Boston proper and several surrounding towns, combining their efforts in one big drive).

Russell P. Wise presided and introduced the speakers. Roger W. Homer, the first speaker, gave a list of organizations which have been active in the community and he said, all were invited to a hearing. About 65 attended and those who were interested joined the first Community Chest.

J. William Fellows, who was elected the first president, said the first step was to incorporate the local Community Chest. A survey of Newton's chest was made. There was also talk of joining with the Boston Community Federation, but it was decided to operate Arlington's chest independently. The major local accomplishment had been to create a community spirit and getting various groups to work together.

The Arlington Chest has been able to collect about double the average amount formerly raised by four of the agencies now in the Chest. He concluded his remarks by stating that it now appears that the time has come to consider joining with the Greater Boston Federation.

Paul Vonck, the next speaker, gave a brief review of previous conferences relative to joining the Boston Federation. Many prominent people have felt favorable towards the Boston Federation for some time, he added.

Stuart C. Rand, general chairman of the Greater Boston 1939-39 campaign, was next introduced.

Any organization, that has so many successful, intelligent and respected people working toward the one goal—the selecting of the most qualified candidates—is sure of success, the committee feels.

The voters of Arlington showed that they respected the judgment of the committee, last year, by electing by a large majority, every candidate, who was endorsed. Every indication shows that the people of Arlington are again ready to work with the Committee.

Chairman Estabrook has announced the selection of three members of the Qualifications Committee as follows: Robert L. Moore, chairman; William C. Adams, and Paul Ziegler. Two more members will be elected.

At Wednesday evening's meeting, officers of the committee presented Felix Cutler, retiring chairman, with a sterling bandaged gavel made of timber from "Old Ironsides."

The invocation will be given by Rev. Joseph Fitzgibbons, pastor of St. Jerome's church. Guests at the luncheon meeting will be the directors of various groups receiving financial assistance from the Arlington Kiwanis club.

## Kiwanis Briefs

President Harry E. Baker has appointed Howard Parker to the ways and means committee.

The Kiwanis club is planning for a minstrel show to raise funds for its underprivileged child work and the following committee has been appointed to take charge of arrangements: Walter Chamberlain, Allan Cowie, Ray Manger, Howard Parker and Forest Litchfield.

Several members of the club are planning to attend the inter-club meeting at the Hotel Touraine in Boston on Saturday evening.

## DAVIS SEEKS RE-ELECTION TO BOARD OF SELECTMEN

Chairman of Board Takes out Nomination Papers — Has Served Six Years As Selectman — Dutcher, Byrne, Beaudet, Moore and Daley among Present Office Holders Who Will Also Run Again

Several more candidates tossed their hats in the ring this week when they took out nomination papers for various town offices in anticipation of the annual election in March.

Included in this number is Ernest W. Davis of Brantwood road, chairman of the board of selectmen, who will seek re-election to another three-year term. Mr. Davis is completing his sixth year in this office. Before his election to the board he served on the finance committee for several years. He was also chairman of this committee.

Others who took out nomination papers at the office of Town Clerk Earl A. Ryder this week include: Lawrence P. Murphy, of Massachusetts avenue, candidate for moderator and Edward T. Ryan, of Wildwood avenue, who will seek election to the board of public works. Mr. Ryan has previously served on this board and has been very active in local political circles for years.

Three new candidates have entered the race for school committee. They are: Joseph Mahoney, of

56 Exeter street; Joseph A. Dengelski, of 85 Lake street and Clement J. Beaudet of Walnut terrace. Mr. Beaudet is already a member of the school board and is seeking re-election, along with the other two members whose terms expire this year.

Four others who took out nomination papers this week, seeking re-election are: Herbert M. Dutcher of Walnut street, for the planning board; John B. Byrne, of Chestnut street, for park commissioner; M. Ernest Moore of 361 Massachusetts avenue, for the cemetery commission; and Daniel M. Daley, of 18 Medford street, for tree warden.

Increased activity was noticed this week as the many candidates already out for office continued to gather the necessary 500 odd signatures before the deadline for filing their nomination papers. The number of signatures necessary this year is over twice as many as in previous town elections. And because practically every office will be contested, an exciting campaign is in the offing, despite the fact that this year's is considered an "off year" election.

## F. B. I. Agent to Give Talk before Cutter School Association

The Cutter Parent-Teacher association will celebrate Father's Night on Tuesday evening, Jan. 23, at eight o'clock, in the school auditorium.

Wallace Rockwell, chairman, has arranged an enjoyable evening featuring a talk on "The Work of the G-Men" by V. W. Peterson, special agent in charge of the Boston division of the Federal Bureau of Investigation.

There will be music by the Cutter P. T. A. Choral society and the Cutter P. T. A. orchestra. Parents are invited to visit teachers in the classrooms from 7.30 to 8.00 o'clock. Refreshments will be served.

## Local Organizations Invited to Help Plan Finnish Relief Concert

Letters have been sent to organizations in the Town, asking them to send a representative to a joint meeting to organize Finnish Relief efforts, to be held Monday, January 22 at 8 p. m. in the Hearing Room at the Robbins Memorial Town Hall.

Arlington Post number 1775, V. F. W. feels that the cooperation of the active societies of the Town will result in substantial assistance to Finland, and therefore urges all interested in this humanitarian cause to attend the meeting.

Karl Frederickson, Sven Benson, Carl Wernberg of Einar lodge, Independent Order of Viking attended a meeting of the Viking Central Committee of Massachusetts at the Ritz Plaza Hall, Boston, Sunday, where plans were formulated for the celebrating of the fiftieth anniversary of the order this year.

### Spinner Stars As A. H. S. Wins

By Dick Rowe  
Paced by the brilliant goal-keeping of Johnny Spinner, Arlington got back into the win column Saturday at the Boston Arena, by defeating a stubborn Belmont sextet, 5-1.

Art Blanchard scored for the Gray Ghosts when he took a pass from Bob Sanders at the blue line and fired a long shot that flew past Goalie Boudry. In exactly 28 seconds later Eddie Burns fired a shot that hit the post and bounced out on the stick of Bob Sanders, who banged it home for Arlington's second goal.

In the second period Sanders again denied the strings when he took a pass from Burns, and beat Goalie Boudry with a bullet-like shot.

Early in the third period Belmont broke into the scoring column when Tom Sullivan passed to Talbot for the tally. Don Moore put the game on ice when he scored his first G. B. I. goal on a solo rush. In the closing minutes, Ed Burns stole the puck from the tired Blue Shirts and on a solo rush scored Arlington's final goal of the game.

### Youth Held For Larceny

A 23-year-old Somerville youth was arrested by local officers this week and charged with the recent break at the Peter Pappas store, corner of Massachusetts avenue and Medford street.

Arraigned in the East Cambridge court, the youth was ordered held for the grand jury. He is charged with breaking and entering in the night time, and with the larceny of eight dollars. The police gave his name as Timothy Sullivan of 15 Shawmut street, Somerville. The arrest was made by Lieutenant Charles E. Carroll and Inspector John Hourihan.

### Vikings' Card Party and Dance Saturday

The Arlington Vikings will sponsor a bridge and whist party in American Legion hall, 370 Massachusetts avenue, tomorrow evening at 8 o'clock. Dancing will be enjoyed to the music of the Lakeview orchestra. Refreshments will be served.

The parties already sponsored by the organization have proved most popular and all have been largely attended. The public is invited.

### Friday Social Club

The Friday Social club will meet in the Park avenue parish house this afternoon at 1:30 o'clock. Following luncheon a movie entitled, "Yesterday, Today and Tomorrow," will be shown. Assisting hostesses will be Mrs. George Allen Mrs. P. Griffin, Mrs. C. Hall, Mrs. Joseph Mrs. Robinson, Mrs. W. E. Stevens and Mrs. Allan E. Cowie.

### A. V. N. A. To Check- Up Preschool Children

Mothers are urged to begin the New Year right and bring their school child for a checkup at the monthly conference at the Arlington Visting Nursing Association office, 5 Court st., at 3 p. m. on Thursday, January 25.

These pre-school conferences are held the last Thursday in every month, throughout the year, where a record is kept of every child's weight and where any defect if any, can be detected, so that your own physician can correct it before your child enters school.

### Arlington Garden Club

The spring flower show of the Massachusetts Horticultural Society attracts thousands of visitors annually, and the Arlington Garden Club wishes to stress the fact that tickets for the show, March 11-16, may be obtained through the club at a reduced rate. Reservations for tickets may be made with Miss Amy Winn, 50 Academy St.

This year, the key note of the show is "color." Groupings of Rhododendrons and azaleas in bloom will transform the stage into a New England landscape, and numerous rose gardens and a nature trial will provide an abundance of color.

At the meeting held in Library Hall last Wednesday, Mr. Eiling-Higgins, of the firm of Frost and Higgins, gave an illustrated lecture on "Tree Moving," telling of the infinite care which must be taken, both before and after the operation.

Frank Mansfield, president of the Junior Garden Club, told of the work the young folks are doing and asked for the continued support of the senior club. Miss Emma Ladd read a very interesting paper on the novelties which are

being offered this year.  
In anticipation of the annual meeting, a nominating committee, Mrs. G. William Anderson, Mrs. J. V. Traverse and Miss Emma Ladd was appointed.  
—Rev. John Nicol Mark was guest speaker at the Unitarian Alliance's program commemorating the 100th anniversary of the Follen church in East Lexington last evening.

"Winter Conditioning" does more than merely cut down your fuel bill. It checks cold drafts and prevents fogging on windows. It is essential to satisfactory winter air conditioning with its higher healthful humidity. Cold glass surfaces condense the moisture carried by indoor air and thus cause fog, frost or even dripping water to form on the window panes. We want this moisture. It keeps us in better condition to resist colds and respiratory diseases but we do not want fogging or frost on windows nor water running over our window sills.

"Winter Conditioning" keeps the inner pane of glass comparatively warm even though the outer pane may be as cold as the outdoor air.

**Hydra-Matic Drive Is New Oldsmobile Feature**

The Colonial Motors, Incorporated, at 745 Massachusetts avenue, is now showing the new 1940 Oldsmobile with Hydra-Matic Drive, a new mechanism which eliminates the clutch. According to a statement by General Motors, Hydra-Matic gives you changes in ratios, or speeds, which are automatic. You simply steer. And the cost is astonishingly low for such an achievement. This device is destined to take the transmission out of the driving technique of the car of tomorrow.

Hydra-Matic Drive reduces driving effort to its minimum terms. It eliminates the tiresome routine of gear-shifting. When you want to stop you step on the brake pedal. When you want to start again, you step on the gas. With Oldsmobile's exclusive Hydra-Matic Drive all you do is select the direction. The rest is automatic. The car selects first, second, third and fourth speed automatically—choosing whichever is best for the purpose.

Hydra-Matic Drive eliminates the clutch pedal. There is no clutch facing to wear out—no possibility of clutch noise or chatter, and no clutch parts to replace.

The Colonial Motors staff is mighty proud of this exclusive Oldsmobile feature and will be pleased to demonstrate it for you.

### WHEN THE PEOPLE SPEAK

Once the matter of giving financial aid to Finland is disposed of in Congress, the people of America will have their opportunity to be heard.

And they should be heard, long, vigorously, and emphatically, demanding—

1. That regardless of whether we give aid abroad or don't, we want no part of Europe's war and intend keeping this nation at peace.
2. That Congress and the Administration lay international relations on the shelf and set about putting our domestic house in order.
3. That while we are at peace, we want no chiseling away of our own hard won liberties and no further government controls under the smoke-screen of an emergency.

On these three fundamentals any American should be able to stand resolutely without regard to political affiliation. And if Washington understands that such is the basic attitude of the people, many details of legislation will then take care of themselves.

### THE GREATEST GAMBLE

Many a man who wouldn't think of making a bet on a horse race, or playing cards for big stakes, is, unknowingly, engaged in the greatest and most needless gamble of all. He is gambling with the future of himself and his dependents—because he has not provided adequate protection against the exigencies of tomorrow.

He depends for economic security upon real estate holdings, or upon the belief that he will always have a good job, or upon some similar source of future income. But real estate values can drop in value almost overnight—any business may go broke—any job may be lost—any investment can depreciate. And often, when these disasters occur, it is too late to recoup.

Here is where some definite future security plan, such as that offered by life insurance, comes in.

## First Baptist Men's Class to Conduct Two Meetings on Sunday

Next Sunday noon and evening at 7.30 o'clock the Men's Class of First Baptist church will meet. The noon meeting will be held as usual in the church banquet hall. The evening session, to which all men and women are cordially invited, will be held in the church auditorium.

Dr. Grady D. Feagan, minister of the church and class teacher will speak at both services.

Sermon subject at morning service, "Christ, and Human Suffering."

President Karl M. Place will preside.

The class feels that many of the women of the church as well as those who have heard of this large group of men are interested in seeing the class in its regular routine and this is one of the reasons for the special meeting. Many other groups of men meeting in other churches at the same time would also like to hear the type of talks it receives from its teacher therefore the meeting is open to all.

The evening service will be conducted like the noon class with the exception of reports and business. In place of this the class orchestra, which now numbers 20 musicians made up of class members and which plays each Sunday, will be presented to the public in a special musical program under the direction of Foster Brown. This orchestra was organized two years ago by William I. Huston and is considered the largest of its kind doing church work.

Dr. Feagan has taken a timely subject for his talk "The Greater Church of Tomorrow". Dr. Feagan is a speaker who is considered one of the Baptists' best.

Invitations have been sent to civic and religious groups to attend.

## Women's Republican Club Meets Thursday

The next meeting of the Arlington Women's Republican Club will be held at the America Legion Hall on Thursday, January 25, at 2 p. m.

S. W. Sator, Federal Milk Administrator in Boston, will speak on the "Milk Problem" followed by Dr. N. Gever, of H. P. Hood & Sons and Joel Eastman, representing the Greater Boston Milk Distributors.

Mrs. Alice Olson of Arlington will be the soloist, accompanied at the piano by Mrs. Edwin L. Allen.

## Woman's Guild Meets At Park Ave. Church

The regular meeting of the Women's Guild of the Park Avenue Congregational Church was held on Tuesday in the parish house. The meeting was opened by the president, Mrs. Clarence Johnson. The devotional service was in charge of Mrs. Robert Tait, who read an inspiring message called "The Workshop of the Soul". A short business meeting was held. It was announced that a sewing meeting would be held at the church on Feb. 5 at 2 o'clock. It was also announced that a "sampler party" will be held at the church next Tuesday evening, Jan. 23 at 8 p. m.

Members were entertained by a most enlightening talk by Miss Emily W. Bissell, general secretary Boston. Tea was served by Mrs. Robert Fagan and her committee.

CHURCHES OF CHRIST, SCIENTIST  
"Life is the subject of the Lesson-Sermon which will be read in Churches of Christ, Scientist, throughout the world, on Sunday, January 21.  
The Golden Text is: "This is the record, that God hath given to us eternal life, and this life is in His Son" (1 John 5: 11).  
Among the citations which comprise the Lesson-Sermon is the following from the Bible: "God that made the world and all things therein, seeing that he is Lord of Heaven and earth, dwelleth not in temples made with hands; neither is worshipped with men's hands, as though he needed any thing, seeing he giveth to all life, and breath, and all things; . . . for in him we live, and move, and have our being" . . . (Acts 17: 24, 25, 28).  
The Lesson-Sermon also includes the following passage from the Christian Science textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy: "God is divine Life, and Life is no more confined to the forms which reflect it than substance is in its shadow. . . Life is Mind, the creator reflected in His creations" (p. 331).

## Junior Woman's Club

Planning Three Events

The next regular meeting of the Junior Woman's club will be held Monday, at 8:00 in the Robbins Library hall.

This meeting is of special interest because the guest speaker for the evening is Miss Betty Worthen, Junior Representative from Massachusetts to the Woman's National Convention held last summer. She will describe her trip West and tell about the highlights of the convention.

Refreshments will follow served by Miss Florence Pacetti, social chairman, and her committee.

The regular monthly meeting of the Blind Circle Group of the Junior Woman's Club will be held Saturday afternoon at 2:30 in the Parish House of the Park Avenue Congregational church, Park ave in the Heights.

The group will be entertained by Miss Helen Glyn who will give selected readings.

Friday night at the Mt. Hood Country Club, Melrose, the Junior Woman's club will hold its annual Sport Dance. Dancing will be from 8 to 12.

## Women's Fellowship

### Hobby Show Reveals Variety Of Hobbies

The first Hobby Show of the Woman's Fellowship of the First Baptist Church was held Monday evening in the Social Hall. On three sides of the large hall were displays of hobbies, and of rare and unusual china, quilts and needlework. The general chairman was Mrs. Ernest E. Gustin.

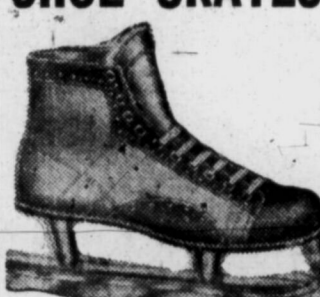

A "hobby-lobby" was presented as entertainment, when the following "lobbied for their hobbies": Mrs. Harold Clare spoke of birds and bird-houses and had a fine exhibit; Mrs. George Miller tatting, and many beautiful pieces of her work were on display; Mrs. J. Clark Wyman told of collecting facts about carillon bells; Mrs. Karl Place had about one hundred and sixty salt and pepper shakers, and told about several special sets, also about her hobby of stamps; Mrs. Andrew Stratton explained her collection of original drawings of clothing worn during the past twelve centuries, all drawings being her own work; Mrs. Benjamin Welk told how she makes barley candy and had with her a kettle and moulds a hundred and fifty-years old, and many samples of the candy; and Mrs. F. F. Hockaday, who conducts the Doll Hospital on Temple Place, Boston, exhibited a large collection of rare and unusual dolls, and explained many of them.

The interviews were conducted by Mrs. L. E. A. Smith, with apologies to Dave Elman. Dr. Curtis Foye, who said that the violin was his hobby, played several selections, which were much enjoyed. He was accompanied by Mrs. Carl Aisen at the piano.

Previous to the entertainment, the regular monthly business meeting was held, with the President Mrs. J. Clark Wyman presiding. It was announced that a joint guest night with the Men's Class would be held on February 13.

Later in the evening refreshments were served, and the large number of members and guests lingered to examine the many fine collections exhibited.

## J. C. Shea Is Elected President of Soda Water Bottlers' Association

J. C. SHEA

J. C. Shea of 303 Cross st., Belmont who formerly was a resident of Arlington for ten years, was unanimously elected president of the Eastern Soda Water Bottlers' association at their annual convention at Springfield.

Mr. Shea is president of the Colonial Beverage company of Cambridge, prominent in recent years as bottlers of the well known drink "7-Up". He has been active in the Bottlers' association for many years and has served as first vice president and chairman of the important "Fair Trade" and "Carbonated Beverage Sales Promotion" committees of the association for the past two years.

He attended Roger Wolcott Grammar School in Dorchester, Mechanics Art High school and Franklin Union. He served in the U. S. Army in the World War and is a member of Arlington Post No. 29 American Legion and the Cambridge Kiwanis Club.

He entered the beverage business after the war as a distributor salesman for a national soft drink concern and operated for six years in Cambridge, Somerville, Medford, Arlington and Belmont before engaging in the manufacturing end of the business in 1926 as the Colonial Beverage company with his present associate J. ## Holson's Featuring January Shoe Sale

For over forty years, the old established concern of Holson's at 40 Stuart street, Boston has been specializing in expert shoe fitting.

Paul S. Holson, of Eastern avenue, long a resident of Arlington believes that in addition to style and quality in footwear, correct fitting is most essential. Careful attention to wearing comfort has led Mr. Holson to adopt the slogan, "Special Comfort Shoes", backed by a reputation of forty years' experience.

During January, Holson's is featuring Treadeasy Shoes at specially reduced prices. Last year, Mr. Holson received special recognition for an outstanding sales volume of this well known line of footwear.

Holson's January sale offers an opportunity to women of discriminating taste to enjoy a substantial saving on each pair of Treadeasy Shoes in kid, calf and suede leathers in the quality that they want. Holson's splendid style assortment includes blacks, browns and blues.

Remember, for special comfort shoes, it's Holson's at 40 Stuart street, Boston. And, Mr. Holson will be glad to give fellow Arlingtonians his personal attention.

—Mrs. Augustus F. Howell, who has been living with her daughter at 30 Bonad road left Saturday for Shore Acres, St. Petersburg, Florida where she will visit until May with her sisters, Mrs. George A. Carter of Bolton Landing, N. Y.

## Arlington Basketball Quintet Loses Games To Medford, Newton

By BILL DALE

Completely outplaying the highly touted Medford quintet during the last half, a determined Arlington five just missed in its attempt to shake its losing streak Friday evening.

Medford was a heavy favorite and played the first half like champions, leading 22-14. Arlington's last half rush took them into the lead 27-26 which they held well into the last quarter.

Paturrelli, Medford's high scoring center, finally broke through the Arlington defense to score what proved to be the game winning basket. Medford was able to score only four baskets in the last half, three of them from well out on the floor.

Russ Isner concluded the scoring with a foul shot, his fourth successful one of the game.

Leaders Top Arlington

Suffering its third successive loss by less than five points the luckless Arlington five fell before the high riding Newton quintet 29-27 Tuesday afternoon.

Trailing at the end of the first half 14-6, Arlington came back with its usual rush to pull up even at 26-26 with less than three minutes to play. Olivigni dropped in a looping basket for the visitors which gave them the lead in the final minute. Arlington travels to Rindge today in another suburban league encounter.

## Trade Associates Seek Benches For Town Plots

The Arlington Trade Associates, by vote of the advisory committee, will insert an article in the town warrant asking that suitable benches be provided on the town property in front of the Central fire station, and on the lawn between the Robbins town hall and the Robbins library.

The Associates believe these benches will provide resting places for the townspeople, especially elderly people.

The Associates also voted to back the Boys' Club should it find it necessary to promote another Street Fair this year.

Mary T. Bunker and Isabel Gratto are co-chairmen of a committee working out a program for

## Looking Inside

(Ed's Note: The comments in this column are not to be considered as the editorial opinions of the NEWS.)

January 18, 1940  
I notice that the political pot has come to a boil. The Citizens' committee has started to function and the question of a THIRD term has now been settled by the decision of selectman Davis to run again. His decision incidentally settled the matter for two, other wishful candidates who wanted to or might have run if Mr. Davis had said "nothing doing". They figured that it is hopeless now and would only cause a split. Mr. Marsh is way past his third term as this may be the fifth, sixth or seventh term he has been up to bat.

P. S.—May I politely suggest that the School Department or some other interested group legalize the naming of the auditorium at the High school by inserting an article to that effect in the warrant for the next Town Meeting, or present a resolution to that effect to the same body. As far as I can remember no building has been named without a TOWN action. The last case in point was the naming of the Victoria Dallen Library.

### Will Permit Coasting On Two More Streets

The coasting regulations were amended by the board of selectmen at its meeting this week, to include Falmouth road West, from Columbia road to Crosby street; and Hillside avenue, from Prospect street to Wachusett avenue, as additional streets on which coasting will be permitted.

### Officer Loses Tooth In Assisting Patrolman

The upper pivot tooth of Anthony Rubbleco, a Cambridge police officer, was broken when the officer was kicked by a drunk at the corner of Massachusetts avenue and Battle street Sunday night. The officer was assisting Patrolman MacLean of the Arlington department in arresting the man when the latter put up a struggle. The drunk was finally subdued and rushed to police station in the local patrol wagon.

## DEATHS

### HENRY FRANK WILLIAMS

Funeral services for the late Henry Frank Williams, 81, father of Miss Nina I. Williams of the Arlington News staff, took place yesterday afternoon at the Hartwell Funeral chapel, Rev. Nelson B. Baker, of the Trinity Baptist church officiated. Burial was in the family lot in Mt. Auburn cemetery, Cambridge.

Mr. Williams passed away at his home, 19 Windsor street, on Monday evening after a brief illness. He was born in Norwich, Connecticut, the son of Henry and Mary (Hull) Williams. He came to Somerville forty years ago and was engaged in a successful cabinet manufacturing business in that city until ten years ago when he retired. He had lived in Arlington for the past fourteen years. His wife, Mrs. Selma (Rollinson) Williams passed away three years ago. Surviving Mr. Williams are two daughters, Mrs. Marion Stephens of Belmont and Miss Nina I. Williams, with whom he made his home; and two sons, Walter Williams of New York City, and Lester Williams of Milton.

# One resolution it's not too late to make

The model illustrated is the Buick Super model 51 four-door touring sedan \$1109 delivered at Flint, Mich. White sidewall tires additional.\*

NO matter what's happened to the rest of those first-of-the-year vows, there's still time to resolve to have yourself some fun this year with that power-packed, sure-fire pleasure producer — a slightly, sprightly, roadwise 1940 Buick.

You can put yourself behind a husky Dynaflex straight-eight that's a veritable tornado when it comes to going places — but actually silkier than watchworks in its smooth-and-easy freedom from vibration.

You can switch to gentle coil springs and never need another "lube job." You can discard the

old-type gear lever for Handshift transmission that works with a finger-flick.

You can help yourself to room-the spacious expanse of the Buick Super's next-things-to-five-feet front seats. You can ride in Foamtex cushion comfort, with Safety Plate Glass all around you and everything from a built-in automatic choke to Buick's exclusive Fore-N-Aft Direction Signal to make driving easy and convenient.

TAMPER-PROOF GAS TANKS—your ignition key locks the gas tank door in the fender, prevents gasoline loss through pilferage. Standard equipment at no extra cost.

So why wait to get your Buick? Prices are low now—lower than on some sixes—and delivery is prompt. Your dealer has a full line to show, too, and your old car's worth more now than it will be later.

How about some action? Time's a-wasting, there's fun to be had—and there's a Buick waiting to hang your license plates on!

### Townsend Club Hears Business-Like Talk

A most enjoyable evening was sponsored by Arlington Townsend Club No. 1 in Robbins Memorial Town Hall last Wednesday evening when Robert Adams, of Los Angeles, businessman gave an outline of the Townsend Plan.

Commenting upon the subject of his address, Mr. Adams said he would make a specific point of his discussion, the misconception that the Townsend Plan proposes 200 dollars a month. "As soon as we can get the general public to realize that the Townsend Plan proposes payment of annuities amounting only to a Pro-rata share of the total revenue collected under the 2 per cent transaction tax and not a flat 200 dollars a month," he said, "the majority of our people will swing behind the Plan." Mrs. John

Heron, president, expressed thanks to all those who made this special meeting a great success. A penny sale held Tuesday evening was very well attended.

### Varia Study Club

The next meeting of the Varia Study Club will be held next Monday, at the home of Mrs. Edward Center, 145 Mt. Vernon street. The program will consist of two papers on American history written by club members. Mrs. Stanley Gove will read her paper entitled "America Secedes from the Empire." This will be followed by Miss Helen Irwin who has called her topic, "A Nation Finds Itself." In these times of strife in the European nations it has seemed proper for the members of the Varia Club to take the time to look briefly upon our own country's history.

### CATHOLIC DAUGHTERS NOTES

In the St. Agnes court, Catholic Daughters' bowling league matches at the Regent alleys Tuesday evening, Jeanette Blanchard got the high three-string record of 264 while Agnes Kelly won the high chairmen.

single string total of 101.

Plans are completed for the semi-formal to be held at the Commandery in Cambridge this evening. Leon Mayer's orchestra will furnish music. Miss Catherine O'Donnell and Miss Evelyn Teehan are co-chairmen.

FARRINGTON'S

# 803

By George S. Coburn, Jr.

We wish to announce that for the convenience of those who are unable to get to the store during the day, our record department will be open until 9:00 P. M. every Wednesday evening in addition to Saturday, until further notice. We now have POPULAR SHEET MUSIC on hand, a stock to which we are adding new numbers each day. I call your attention to hit tunes and also pictures of your favorite band leaders with short biographies telling how they got their start in this music business.

**SYMPHONY NO. 8 IN B MINOR** by SCHUBERT (Commonly known as the UNFINISHED SYMPHONY.) (Columbia AM No. 330) This is, undoubtedly Schubert's best and most well-known work. Here is a particularly fine recording by the London Philharmonic Orchestra under the direction of Sir Thomas Beecham. There are six sides which sell for \$5.00 complete with album and descriptive booklet. A symphony usually consists of four movements, but Schubert's Eighth has just two movements and eight bars of the third, hence the title, "Unfinished". Why he never finished it will always be a mystery. How much or how little he appreciated it we can only guess, but at any rate it is considered to one of the finest symphonies played today. Did you know that the beautiful SONG OF LOVE from Sigmund Romberg's Blossom Time was adapted from the first movement of the Unfinished?

**FEE FI FO FUM** Here's another "discovery" — Originally waxed for the Brunswick Label by Artie Shaw and now released on Columbia's popular 35c Vocalion record No. 4359. A clever arrangement — "In the Mood" style. The coupling is CHANT, an original number by Shaw and styled after Godoman's famous Sing Sing Sing.

**CONCERTO FOR TRUMPET** (Columbia No. 35340) All you people who don't think Harry James can play the trumpet should listen to this remarkable recording. I know — I listened. The tune, which was written by James is aptly titled and he really does prove that he can play a trumpet that doesn't sound like a screech owl with a sore throat. The coupling is I'M IN THE MARKET FOR YOU. He proves it again on this side playing a beautiful muted trumpet which at times sounds almost like an alto sax.

**INDIAN SUMMER** (Decca) It's hard to tell whether to put this or CARELESS which is the coupling, first, as they both are so good. This is done by Tony Martin and is the best recording of these two hits that has been released so far.

### Jr. East Will Give Operetta

For the past two months the students of several departments at Junior High East have been busily engaged in the preparation of an operetta called "The Beaver Trail" by George Murray Brown and Roy L. Stoughton. Under the direction of Mrs. Dorothy Evans, teacher of music at the school, a cast of fourteen pupils, supported by choruses numbering seventy pupils, has been hard at work infusing themselves with the spirit, color and highly interesting temperaments of Mexicans and Indians.

Two performances of "The Beaver Trail" will be given for the public. The first, a matinee on January 25, at 4:00 o'clock. The second, the evening performance, January 26, at 8:00 o'clock. All performances will be given in the auditorium of Junior High East. Tickets may be obtained at the school or through any of the students.

### Local Table Tennis Stars To Compete In State Title Matches

Arlington table tennis fans will have an opportunity of seeing their local table tennis stars in action this week end at the Colonial Table Tennis Club in the Hobbs Building, Davis Square, Somerville, where the Massachusetts closed table tennis championships are taking place.

Mrs. Mae Cloutier of Arlington, will defend her women's singles championship which she has held through the past two seasons, and if victorious, will retain the Farrington trophy, a prize on which she now holds two legs.

Other prominent Arlington players entered are Norman Aronson, Mystic Valley men's champion, and John Wright, captain of the Arlington team in the B division of the Greater Boston table tennis league.

Several members of the Arlington Boys' Club will also enter in the boys' singles event which is open to all boys under fifteen years of age residing in Massachusetts. The Arlington Boys' Club team has won four of its five matches with other boys' groups in Greater Boston.
